

MABH – EBD Symposium at EBD, May 2-4, 2018

PROGRAM

Wednesday May 2

09.00-09.30	<i>Introduction – Welcome, and general presentation of EBD</i>	Xim or Jordi (EBD)
09.30-09.50	<i>The Man & Biosphere Health research platform and Kristianstad Vattenrike Biosphere Reserve</i>	Ann-Sofi Rehnstam-Holm (MABH)
09.50-10.05	<i>Changes in distribution of spider species in Sweden</i>	Lars Jonsson (MABH)
10.05-10.20	<i>Which pollinators are the main ecosystem service providers? The paradox of conservation in agroecosystems</i>	Nacho Bartomeus (EBD)
10.20-10.35	<i>Grazing pressure with links to invertebrates</i>	Gunnar Gunnarsson (MABH)
10.35-10.50	<i>Goose management</i>	Camilla Olsson (MABH)
10.50-11.15	<i>BREAK (Coffee served at EBD)</i>	
11.15-11.30	<i>Plant Genomics (title to be confirmed...)</i>	Xavier Pico (EBD)
11.30-11.45	<i>Tern migration</i>	Johanna Grönroos (MABH)
11.45-12.00	<i>HORUS project tracking lesser kestrel movements and behavior, and ongoing expansion to cover common kestrels</i>	Lina López-Ricaurte (EBD)
12.00-12.15	<i>Large-scale introductions of mallards</i>	Pär Söderquist (MABH)
12.15-12.30	<i>TBC (amphibians - temporary ponds)</i>	Carmen Diaz-Paniagua (EBD)
12.30-12.45	<i>ESBL resistans - a common theme in the aquatic environment</i>	Ann-Sofi Rehnstam-Holm (MABH)
12.45-13.00	<i>Transmission of pathogens by birds and mosquitoes</i>	Jordi Figuerola (EBD)
13.00-14.30	<i>LUNCH (MABH and speakers served light lunch at EBD)</i>	
14.30-14.45	<i>Sea-level changes and landscape changes in Southern Sweden, 6 000-9 000 BC related to species hunted and fished</i>	Nils-Olof Svensson (MABH)
14.45-15.00	<i>Historical Ecology and Conservation</i>	Miguel Clavero (EBD)
15.00-15.15	<i>Simultaneously assessing the influence of plants and entrance conditions on hydraulic retention time and nutrient removal efficiency in wetlands/ponds</i>	Jean Lacoursière (MABH)

15.15-15.30	<i>Plant invasions (title to be confirmed...)</i>	Montse Vila (EBD)
15.30-15.45	<i>Design of riparian buffer zones with regard to aquatic ecosystems</i>	Lena Vought (MABH)
15.45-16.00	<i>BREAK (Coffee/Tea served at EBD)</i>	
16.00-16.15	<i>Scavenger group (title TDC)</i>	Eneko Arrondo & Marina Garcia-Alfons (EBD)
16.15-16.30	<i>Water quality in Doñana</i>	Irene Paredes (EBD)
16.30-16.45	<i>Effects of high water color in streams from wood land and possibility to remediate with wetlands</i>	Henric Djerf (MABH)
16.45-17.00	Wrap up	
19.30	Dinner in Seville	

Thursday May 3

09.00-09.15	<i>Start up</i>	Pär Söderquist (MABH)
09.15-09.30	<i>Adaptive management</i>	Luis Santamaría (EBD)
09.30-09.45	<i>Biomass from wetlands in biotechnology</i>	Lennart Mårtensson (MABH)
09.45-10.00	<i>H2020 ECOPOTENTIAL project (remote sensing and protected area management, focussed on Doñana)</i>	Javier Bustamente (EBD)
10.00-10.15	<i>Turning ecosystem services into a policy tool at the local level</i>	Ingemar Jönsson (MABH)
10.15-10.30	<i>Corixids and water mites in Doñana</i>	Vanessa Cespedes (EBD)
10.30-10.45	VACANT	
10.45-11.15	<i>BREAK (Coffee served at EBD)</i>	
11.15-12.45	<i>Discussions – Exploring potentials</i>	Andy Green (EBD)
12.45-13.00	Closure – Wrap up	
13.00-14.30	LUNCH in Seville (MABH group probably go into the city)	
14.30-19.00	Excursion around Seville	
19.30	Dinner in Seville	

Friday May 4

09.45-12.00 MABH Excursion to Doñana National Park

13:00-14.30 LUNCH in Doñana

14.30-18.00 Excursion in Doñana National Park continues

19.30 Dinner in Seville
